1. About the Conference

1.1 Details

Redesigning Pedagogy International Conference (RPIC) is a global platform for researchers, educational leaders, practitioners and policymakers to collectively debate and generate creative solutions, and to actively exchange research and educational ideas and experiences between and across local, regional and international educational communities.

Date: **2 – 4 June 2026**

Venue: **Nanyang Technological University**

Theme: **Education Research for Impact**

1.2 Benefits of Exhibiting at RPIC 2026

Redesigning Pedagogy International Conference is a platform to

- Showcase your products and services to a crowd of at least 1,000 participants in the field of education and education research
- Meet and interact with researchers, policy makers, education leaders and educators from local and overseas institutions
- Showcase your products and services to local and international participants
- Network with other service providers and vendors

2. Statistics from RPIC 2024
